**THE COLOR RUN FUN FACTS:**

- There are over 5 million Color Runners worldwide
- Over 60% of Color Runners have never run 5km before (many walk, skip, shimmy and hop)
- It's an untimed 5km run, it's about enjoying the journey not beating a record
- After running through 4 colour stations you'll finish in a festival of colour throws, rainbows, glitter, entertainment and music!

**RUN FOR A CAUSE**

Let's have some fun and make a difference. For every ticket sold, R10 will be donated by Capitec Bank and The Color Run to a local cause.

**IF 10,000 PEOPLE RUN, WE CAN RAISE R100,000!**

**HOW ABOUT R400 FOR FREE WITH YOUR TICKET?**

Yes, it's true, no really it is! Just for buying your ticket, our besties at [www.takealot.com](http://www.takealot.com) and [www.superbalist.com](http://www.superbalist.com) are each giving you a R200 coupon that you can spend on The Color Run goodies (or anything else for that matter) on the takealot.com app as well as a R200 coupon to go crazy on the superbalist.com app as well.
